Pledge your support for Small Business Saturday®

The 2nd annual Small Business Saturday® is a day dedicated to supporting small businesses on one of the busiest shopping weekends of the year.

On November 26, we're asking millions of people to shop small at their favorite local stores and help fuel the economy.

When we all shop small, it will be huge.

Small Business Saturday In West Milford

This holiday season, The West Milford Chamber of Commerce is urging it's members and all independent stores to "think small" and for consumers to "shop small". First there was Black Friday, then Cyber Monday. Now, the second annual Small Business Saturday, November 26, the Saturday after Thanksgiving, launched by American Express last year. Come out to enjoy a stress free shopping experience in West Milford on this day and everyday until Christmas with millions of Americans who are supporting there home town stores. When you shop in town, you are supporting your entire community, as small businesses are there during the year when you need something, offer employment, pay taxes and give to local organizations. Shopping locally also saves gas, time and money. For participating Chamber members' special offers, visit The Chamber website, www.WestMilford.com.

Visit American Express, Google, Facebook and Twitter to see more special offers. It's going to be huge.

Giant Gymnastics - Collaborative Advertising Opportunity

This Holiday season, Giant Gymnastics is reaching out to other small business owners with a budget-friendly advertising opportunity. We are asking those with products or services that deal with children and their families to submit a coupon or special offer to be used for the holidays. After compiling all of the ads into a Holiday Coupon Sheet, we will email a copy to all participating businesses. This sheet can then be printed and handed out to your own customer list. You print only what you need to keep costs next to nothing for everyone. There are no other costs!

Please visit our website at www.giantgymnastics.com for more details. Let's make this a successful holiday season for all!
